Downloading the Skool Loop app - a step by step guide

Once you have downloaded the Skool Loop App, via either your Google Play or App store, please follow the below instructions to select your school -

- Open the Skool Loop App - you will land on a welcome page.
- Click the 'Select your schools' this will bring you to a menu you can either search your school or follow the country/region prompts.
- Once you reach your school, select it with the tick on the righthand side.
- Tap the 'select schools' button in the top right corner.
- Tap the big orange choose button. This will load your school and bring you to the settings page.
- Subscribe to the groups that are relevant to you, then click the 'go back' button on your phone, which will bring you to the main screen of your schools app.

Appointment times will be in 15min blocks. Please do not book appointments one straight after the other if you have more than one child at school.
